## Vos iszt Klezmer?

to quote wikipedia:

*Klezmer (from Yiddish כלי־זמיר, kley — instrument and zemer — song; etymologically from Hebrew k'li zemer כְּלִי זֶמֶר, "musical instrument") is a musical tradition which parallels Hasidic and Ashkenazic Judaism.*"

In other words, it's an exciting mix of modern and traditional folk music with an emphasis on its mid-European, Jewish, foundation roots

## Heartland Klezmer

Heartland Klezmer is a group of talented musicians from the extended Lansing area. They perform at weddings, dances, festivals, concerts, with a repertoire consisting of popular traditional klezmer tunes.

They visited and performed at CMU's Bovee Center in Mt. Pleasant in Fall, 2008. (video link at the Temple Benjamin website)

## ART REACH Center

The Art Reach Center is one of Mt. Pleasant's jewels, providing a highly regarded, modest sized, venue for a wide range of artistic and social endeavors.

Housed in a 100 year old former church building and located next to the public library, it is a prime focus of community pride.
